

PERCONTI DATA SYSTEMS, INC.

Software Design and Data Systems Consulting

April 11, 2016

Dear Utopia Customer:

As we normally do, we are publishing our rates for the upcoming maintenance period (effective January 1, 2017). We are continually striving to meet and exceed the demands of our customers, while keeping maintenance reliable, affordable, and a value to those who continually renew their contracts. We are doing our best to hold down our costs, but we feel this support is a tremendous value.

The pricing structure is below:

Plan	Software Updates	Email	Telephone	Reports	Cost
Full	unlimited	yes	yes	4 hours	\$5,995
Basic	unlimited	yes	no	0	\$1,495

We would recommend choosing a plan that suits your anticipated needs over the year as well as fits your budget. For recommendations on which plan would be best for you, please call me and we can discuss your options.

Invoices will be going out at the beginning of December.

Sincerely,
Perconti Data Systems, Inc.
